

Track your Earnings

Your earnings:

- Within your PRO dashboard you will see your "earnings" tab where you can see all the orders your team places as well as your commission reports.

**See table below for commission breakdown*

- Make sure you fill out your Payable Info within the "earnings" tab to receive your payouts on time

Additional Information:

- Team members purchases may take 1-3 days to show up in your commission history dashboard.
- Monthly commission balances will be paid out on the 15th of the following month via check or direct deposit, if set up.
